

****Special Report****

**Listen up people, listen up?
Have you heard the GREAT news?**

Can you believe it? A local marketing company is giving away free Advertising, that's right, FREE Advertising!!

Does your business offer a delivery service?

Would you like to save money on printing your ads and menus that are included with every pizza box delivered or picked up? Then listen up!!

Partner with AZ Gold Marketing as a delivery partner and receive free advertising. We'll cover the cost of printing your ads/coupons/menus in full color in exchange for your partnership with us and the rest of the community.

Our plan is to help local businesses, the community and the economy thrive again. We will do this through the promotion of other business' ads on your box tops or in your bags. As an incentive for purchasing our ads, we'll be purchasing your gift cards and giving them away to our customers. You'll be making money, and generating more business through your doors as well.

In addition, if you're willing to participate as an AZ Gold Savings Card vendor in being willing to offer a small repeat discount or incentive, we'll throw in some additional services to help boost your business as well, such as free website and newsletter listings, YouTube videos, and more...
